

Supply of Water under Kanwa Project.

Q.—44. Sri T. MADALAH GOWDA (Ramanagaram).—

Will the Government be pleased to state :—

(a) the reasons for providing water only for 3,000 acres under Kanwa Project though it was estimated when the project was constructed to irrigate 5,000 acres of land ;

(b) whether it is a fact that even providing of water for 3,000 acres was not quite regular ;

(c) what are the schemes they have undertaken to improve the water source to the above project ;

(d) when such schemes will be taken up ?

A.—Sri ALUR HANUMANTHAPPA (Deputy Minister for Minor Irrigation).—

(a) Water is supplied to 4,800 acres.

(b) No.

(c) No schemes are undertaken.

(d) No shortage of supply is experienced and as such this question does not arise.
